ARTICLE 1

GENERAL PROVISIONS

1.1 Principal Office. The principal office of this corporation shall be located at the place as is designated in the Articles of Incorporation or such other place as the Association may designate from time to time in accordance with the Arizona statutes governing nonprofit corporations, but meetings of Members and directors may be held at such other place within the State of Arizona as may be designated by the Board of Directors.

1.2 Defined Terms. Capitalized terms used in these Bylaws without definition shall have the meanings specified for such terms in the Declaration of Covenants, Conditions and Restrictions for Springfield Lakes (aka Solera Chandler Homeowner's Association) recorded at Recorder's No. 2000-0703425, Official Records of Maricopa County Recorder, Maricopa County, Arizona; as such Declaration may be amended from time to time.

1.3 Conflicting Provisions. In the case of any conflict between the Articles these Bylaws, the Articles shall control; and in the case of any conflict between the Declaration and these Bylaws, the Declaration shall control.

1.4 Corporate Seal. The Association may have a seal in a form approved by the Board.

1.5 Designation of Fiscal Year. The fiscal year of the Association shall begin on the 1st day of January and end on the 31st day of December of every year, except that the first fiscal year shall begin on the date of incorporation of the Association.

1.6 Records. The books, records and papers of the Association, except those which by law may be withheld from disclosure, shall be available for inspection by any Member and his/her authorized agents during reasonable business hours at the principal office of the Association, where copies may be purchased at reasonable cost.

1.7 Obligation of Association to Disclose Information. The Association shall furnish to a purchaser after receipt of a written notice of a pending sale that contains the name and address of the purchaser, a copy of the Project Documents and any other information that may be required by applicable law within the time period prescribed by such law. The Association may charge the Member a reasonable fee to compensate the Association for any costs incurred in the preparation of a statement furnished by the Association pursuant to this Section. The Association shall make available to any interested party the amount of any such fee established from time to time by the Association.

1.8 Amendment.

1.8.1 These Bylaws may be amended at a regular or special meeting of the Members, by a vote of the Members having more than 50% of the votes entitled to be cast by the Members present in person or by absentee ballot.

1.8.2 The Board, without a vote of the Members and without the consent of any First Mortgagee, may amend these Bylaws in order to conform these Bylaws to the requirements or guidelines of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration, the Veterans Administration, the Fair Housing Acts or any federal, state or local governmental agency whose approval of the Project, the Plat or the Project Documents is required by law or requested by the Declarant or the Board.

ARTICLE 2

MEETINGS OF MEMBERS

2.1 Annual Meetings. An annual meeting of the Members of the Association shall be held at least once every twelve (12) months on such date and at such time and place as is determined by the Board.

2.2 Special Meetings. Special meetings of the Members may be called at any time by the president or by the Board or upon written demand signed by Members having at least one-fourth (1/4) of the total authorized votes in the Association. The close of business on the thirtieth (30th) day before delivery of the demand or demands for a special meeting shall be the record date for the purpose of determining whether the demand for the special meeting has been signed by Members having at least one-fourth (1/4) of the total authorized votes in the Association.

2.3 Notice of Meetings. Written notice of each meeting of the Members shall be given by or at the direction of the Secretary or person authorized to call the meeting by mailing a copy of each notice, postage prepaid, at least fifteen (15) days but no more than fifty (50) days before such meeting to each Member entitled to vote thereat addressed to the Member's address last appearing on the books of the Association or supplied by such Member to the Association for the purpose of notice. Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting, including the general nature of any proposed amendment to the Declaration, Articles or Bylaws, changes in Assessments that require approval of the Members and any proposal to remove a director of the Association. When a meeting is adjourned to another date, time or place, notice of the new date, time or place need not be given of the adjourned meeting if the time and place of the meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Association may transact any business which might have been transacted at the original meeting. If a new record date for the adjourned meeting is or must be fixed under Subsection 2.5.2 below, the Association shall give notice of the adjourned meeting pursuant to this Section to persons who are Members as of the new record date. A Member's attendance at a meeting waives objection to the lack of notice or defective notice of the meeting, unless the Member at the beginning of the

meeting objects to holding the meeting and transacting business in the meeting. In addition, a Member's attendance at a meeting waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the Member objects to considering the matter at the time it is presented.

2.4 Quorum. Except as otherwise provided in the Articles, the Declaration or these Bylaws, the presence in person or by absentees ballot pursuant to Arizona Revised Statutes (A.R.S.) §33-1812, Members entitled to cast one-tenth (1/10th) of the total authorized votes in the Association shall constitute a quorum at all meetings of the Members. If a quorum shall not be present at any meeting, the Members entitled to vote thereat shall have the power to adjourn the meeting from time to time until a quorum shall be present.

2.5 Record Date.

2.5.1 For any meeting of the Members, the Board shall fix a date as the record date for determining the Members entitled to notice of the meeting. If the Board fails to fix a record date for any meeting of the Members, the record date for determining the Members entitled to notice of the meeting shall be the business day before the day on which the notice of the meeting is given. The Board shall also fix a date as the record date for determining the Members entitled to vote at a meeting of the Members. If the Board fails to fix such a record date, the Members on the date of the meeting who are otherwise eligible to vote are entitled to vote at the meeting.

2.5.2 A determination of Members entitled to notice of or to vote at a membership meeting is effective for any adjournment of the meeting, unless the Board fixed a new date for determining the right to notice or the right to vote. The Board shall fix a new date for determining the right to notice or the right to vote if the meeting is adjourned to a date that is more than seventy (70) days after the record date for determining Members entitled to notice of the original meeting.

2.5.3 The Board shall fix a date as the record date for the purpose of determining the Members entitled to exercise any rights in respect of any other lawful action of the Members. If a record date is not fixed by the Board, Members at the close of business on the day on which the Board adopts the resolution relating to that record date, or the sixtieth (60) day before the date of other action, whichever is later, are entitled to exercise those rights.

2.5.4 The record date fixed by the Board under this Section shall not be more than seventy (70) days before the meeting or action requiring a determination of Members.

2.6 Organization and Conduct of Meeting. All Members attending a meeting of the Members shall register with the Secretary (or such person or persons as may be designated by the Secretary) prior to commencement of the meeting, and all absentee ballots must be filed with the Secretary (or such person or persons as may be designated by the Secretary) prior to commencement of the meeting. All meetings of the Members will be called to order and chaired by the President of the Association, or if there is no President or if the President is absent or so requests, then by the Vice President. If both the President and Vice President are

not present at the meeting, any other officer of the Association or such Member of the Association as is appointed by the Board may call the meeting to order and chair the meeting. The chair of the meeting may appoint any person (whether or not a Member of the Association) to act as Recording Secretary. The chair of the meeting shall have the authority to determine the order of business to be conducted at the meeting and to establish reasonable rules for expediting the business of the meeting.

2.7 Action by Written Ballot. Any action that the Association may take at any annual, regular or special meeting of the Members may be taken without a meeting if the Association delivers a written ballot to every Member entitled to vote on the matter. The written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. All solicitations for votes by written ballot shall: (1) indicate the number of responses needed to meet the quorum requirements; (2) state the percentage of approvals necessary to approve each matter other than election of directors; and (3) specify the time by which a ballot must be delivered to the Association in order to be counted, which time shall not be less than three (3) days after the date that the Association delivers the ballot. Once a written ballot has been received by the Association, the ballot may not be revoked. Approval by written ballot pursuant to this Section is valid only if both the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action and the number of approvals equals or exceeds the number of votes which would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

2.8 Action by Written Consent.

2.8.1 The Members may approve any action required or permitted by law that requires the Members' approval without a meeting of the Members if the action is approved by Members holding at least a majority of the voting power in the Association, unless the Declaration, Articles, these Bylaws or applicable law require a different amount of voting power. The action shall be evidenced by one or more written consents describing the action taken, signed by those Members representing at least the requisite amount of the voting power, and delivered to the Association for inclusion in the minutes in filing with the corporate records of the Association.

2.8.2 If not otherwise fixed by the Board pursuant to Section 2.6 above, the record date for determining Members entitled to take action without a meeting is the date the first Member signs the consent to the action. A consent signed under this Section has the effect of a meeting vote and may be described as such in any document. Written notice of Member approval pursuant to this Section shall be given to all Members who have not signed the written consent. Unless otherwise specified in the consent or consents, the action is effective on the date that the consent or consents are, signed by the last Member whose signature results in the requisite amount of the voting power. Any Member may revoke the Member's consent by delivering a signed revocation of the consent to the President or Secretary before the date that the consent or consents are signed by the last Member whose signature results in the requisite amount of the voting power.

2.9 Voting Requirements. Unless otherwise provided in the Project Documents if a quorum is

present at a meeting of the Members, the affirmative vote of a majority of the votes represented and voting is the act of the Members.

ARTICLE 3

BOARD OF DIRECTORS

3.1 Number. The affairs of this Association shall be managed by a board of directors consisting of a minimum of one (1) and a maximum of nine (9) directors. All directors must be Members of the Association. The Board may increase or decrease the number of directors on the Board but the number of directors must always be an odd number and shall not be less than one (1) or more than nine (9). No more than one member of a household residing on one Lot may serve on the board at the same time.

3.2 Appointment and Election. The directors shall be elected by the Members at the annual meeting of the Members.

3.3 Term of Office. Directors shall be elected for a term of three (3) years. If the number of directors is changed by the Board, the Board shall make sure that the number of directorships in each class is reasonably consistent. Directors may not serve more than two full consecutive terms of service unless no other Board Member candidates are available.

3.4 Resignation of Directors. A director may resign at any time by delivering written notice to the Board, its presiding officer or the Association. A resignation is effective when the notice is delivered unless the notice specifies a later effective date or event. If a resignation is made effective at a later date, the Board may fill the pending vacancy before the effective date if the Board provides that the successor does not take office until the effective date.

3.5 Removal of Directors. Any one or more of the members of the Board may be removed from the Board of Directors pursuant to Arizona Revised Statutes (A.R.S.) §33-1813.

3.6 Compensation. No director shall receive compensation for any service he/she may render to the Association, unless such compensation is approved by Members having more than fifty percent (50%) of the votes entitled to be cast by the Members present in person or by absentee ballot at a meeting of the Members. However, any director may be reimbursed for his/her actual expenses incurred in the performance of his duties.

3.7 Action Taken Without a Meeting. The directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent of all the directors. Any such written consent shall be filed with the minutes of the proceedings of the Board.

3.8 Vacancies. Except for vacancies on the Board caused by the removal of a director in accordance with the provisions of Section 3.5 of these Bylaws, any vacancy occurring in the Board may be

filled by the affirmative vote of a majority of the remaining directors though less than a quorum (as defined in Section 3.10 or by a sole remaining director, and any director so chosen shall hold office for the unexpired portion of the term of the director being replaced. Any newly created directorship shall be deemed a vacancy and the Board may fill the vacancy for the term assigned to the directorship, pursuant to Section 3.3 of these Bylaws. When one or more directors resigns from the Board, effective at a future time, a majority of the directors then in office including those who have so resigned, may fill such vacancy, the vote on the vacancy to take effect when such resignation becomes effective. If by reason of death, resignation or otherwise, the Association has no directors in office, any officer or Member may call a special meeting of the Members for the purpose of electing the Board.

3.9 Meetings.

3.9.1 If the time and place of a meeting of the Board is fixed by the Board, the meeting is a regular meeting. All other meetings of the Board are special meetings. Regular meetings of the Board may be held with or without notice to the directors of the date, time, place or purpose of the meeting.

3.9.2 Special meetings of the Board may be called by the President on two (2) days notice; to each director, given in writing, by hand delivery, mail or email, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board shall be called by the President or Secretary in like manner and on like notice on the written request of at least two (2) directors.

3.9.3 A director's attendance at or participation in a meeting waives any required notice to the director of the meeting unless the director at the beginning of the meeting or promptly on the director's arrival at the meeting objects to holding the meeting, or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

3.9.4 A director may participate in a regular or special meeting of the Board through the use of any means of communication by which all directors participating may simultaneously hear each other during the meeting, and a director participating in a meeting by such means is deemed to be present in person at the meeting.

3.9.5 Notice to Members of meetings of the Board shall be within such time and in such manner as is required by law. Any notice of a Board meeting shall state the time and place of the meeting. An affidavit of notice by an officer of the Association is prima facie evidence that notice was given as prescribed by this subsection. The failure of any Member to receive actual notice of a meeting of the Board does not affect the validity of any action taken at that meeting.

3.10 Quorum and Voting. A majority of the prescribed number of directors shall constitute a quorum for the transaction of business. If a quorum is present when a meeting is convened, the quorum shall be deemed to exist until the meeting is adjourned, notwithstanding the departure of one or more directors. If a quorum is present when a vote is taken, the affirmative vote of a majority of directors present is the act of the Board unless the Articles or Bylaws require the vote of a greater number of directors. A director who is

present at a meeting of the Board when corporate action is taken is deemed to have assented to the action taken unless either: (1) the director objects at the beginning of the meeting or promptly on the director's arrival to holding it or transacting business at the meeting; or (2) the director's dissent or abstention from the action taken is entered in the minutes of the meeting. The right of dissent or abstention is not available to a director who votes in favor of the action taken.

3.11 Powers and Duties. The Board shall have all of the powers and duties necessary for the administration of the affairs of the Association and may exercise all corporate powers of the Association, subject to any limitation set forth in the Project Documents. In addition to the duties imposed by these Bylaws or by any resolution of the Members that may hereafter be adopted, the Board shall have the following powers and duties:

3.11.9 Exercise for the Association all powers, duties and authority vested in or delegated to the Association and not reserved to the membership by other provisions of the Project Documents;
